Clean Truck Check · registration and fee · what we need

CARB registration and annual fee for non-gasoline units over 14,000 lbs operating in California.

What we need from you

- [ ] **Data of each unit** — Document to upload
  VIN, plate, registration state, fuel and model year.

What the order form asks

- [ ] **Number of power units**
- [ ] **Responsible official for CARB**

How it goes

1. **We review your order**
2. **We ask for anything missing**
3. **We file it with CARB**
4. **We deliver your proof**
