Clean Truck Check · emissions test · what we need

We schedule each unit test with a credentialed tester. In 2026 there are two per year.

What we need from you

- [ ] **Data of each unit** — Document to upload
  VIN, plate and model year of each one.

What the order form asks

- [ ] **Number of power units**
- [ ] **Where the units are (city, CA)**
- [ ] **Preferred date (optional)**

How it goes

1. **We review your order**
2. **We ask for anything missing**
3. **We file it with CARB**
4. **We deliver your proof**
