Form 2290 · HVUT · what we need

Annual federal tax (Jul 1 – Jun 30) for units of 55,000 lbs or more; new units, the month after first use. We deliver your stamped Schedule 1.

What we need from you

- [ ] **Taxpayer signature** — Appointment
  Without a signature the IRS does not consider it filed. You sign at the end.

What the order form asks

- [ ] **Filing type**
- [ ] **Month of first use**
- [ ] **Company EIN**
  Asked when you pay; stored encrypted.
- [ ] **Your units**
  One row per truck: the truck VIN (not the trailer) and its taxable gross weight (truck + trailer + usual max load). Suspended = 5,000 miles or less in the year.

How it goes

1. We review your units and weights

2. We prepare the 2290

3. You sign and we e-file it

4. We deliver your stamped Schedule 1
