NextServices

Oversize / overweight permit · what we need

For non-divisible loads beyond the limits: over 80,000 lbs, 20,000 per axle, 34,000 tandem or wider than 102 inches.

What we need from you

- [ ] **Load description or drawing** — Document to upload
  What it is and why it cannot be divided.

What the order form asks

- [ ] **States on the route**
- [ ] **Origin and destination**
- [ ] **Trip date**
- [ ] **Unit (number or VIN)**
- [ ] **Dimensions and weight (length, width, height, total and per-axle weight)**

How it goes

1. We review your order

2. We ask for anything missing

3. We file it with each state

4. We deliver your proof
